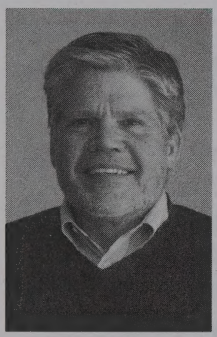
Welcome!



God calls us to be followers of Jesus Christ
and, by the power of the Holy Spirit,
to grow as communities of grace, joy, and peace
so that God's healing and hope flow through us to the world.

Who are we as members and congregations of Mennonite Church USA? According to the *2007 Mennonite Member Profile* we are:

- Young and old, but getter older. Our average age is 54, older than in many other denominations.
- Rural, suburban, and urban. We live in many different kinds of communities, and our experiences vary.
- Culturally diverse and increasingly more so. Many of us did not grow up in Mennonite congregations. An increasing number of us worship in Hispanic, Asian, and African-American congregations.

This *Mennonite Church USA 2009 Directory* gives us an additional picture of who we are:

- We are 929 congregations in 21 area conferences.
- We include many church organizations and related groups.
- We are ministers and lay leaders.
- We are related to other Anabaptist denominations in the United States, and we are part of a global Mennonite and Brethren in Christ community.

As a Christian community, says Darrell L. Guder in his book, *The Continuing Conversion of the Church*, we are first and foremost witnesses to God's truth in the world in our being, saying, and doing. All three perspectives give us a greater sense of clarity of who we are as God's people in the world.

The "we" of Mennonite Church USA also includes the many people who helped put together this directory. Pastors and congregations updated the information about them. Area conference staff worked hard to make sure the information here is as accurate as possible. Churchwide staff, especially in Executive Leadership, put all of this information in a format that is useful to you.

We—all of us—are part of God's people in Mennonite Church USA. As you use this directory, either in this book or online at www.MennoniteUSA.org, pray often for the others who are part of your churchwide community. Pray that, together, we will join in what God is doing in the world and that we will joyfully share God's message of peace and hope through Jesus to the communities and world in which we live.

Vision: Healing and Hope

God calls us to be followers of Jesus Christ and, by the power of the Holy Spirit, to grow as communities of grace, joy and peace, so that God's healing and hope flow through us to the world.

Mennonite Church USA is a dynamic group of people following Jesus into the world, and we're doing it in ways as diverse as we are. Together, we're focusing our ministry efforts in four areas:

In our **holistic witness,** we practice and proclaim the Gospel of Jesus Christ through a seamless web of evangelism, justice and peacebuilding.

We create a **culture of call** by calling, training and nurturing new leaders for Mennonite Church USA.

We honor the **dignity and value of all** people, regardless of their race or ethnicity and denounce racist behavior.

We build **global connections** by fostering and developing partnerships with the broader body of Christ around the world.

COMMITTEES/COUNCILS

Constituency Leaders Council (CLC)

Leaders from each area conference and recognized group meet together at least twice each year to counsel and advise the Mennonite Church USA Executive Board and to engage in conference-to-conference dialogue. Representatives are listed in sections 2 and 3 with each conference and recognized group.

The representational voice of conference and constituent group leaders is heard through the Constituency Leaders Council. CLC members worship and pray together, encourage faithfulness, share ideas and resources, process concerns, and discern direction on issues of faith and life in Mennonite Church USA. The CLC serves as a primary forum for conference-to-conference conversation and networking, as a place for conferences and constituency groups to talk together with churchwide agency representatives, and as a voice for agenda from the grassroots to surface with the Executive Board.

Each conference is invited to send up to three representatives to the CLC, at least one of whom should be a conference minister. Recognized constituency groups may send two representatives to the CLC. The Mennonite Church USA moderator-elect serves as the chair of the group, and a vice chair is chosen by CLC members each biennium. One role of the CLC is to nominate half of the eight-member Leadership Discernment Committee for election by the Delegate Assembly.

Mennonite Church USA

History isn't just about the past

To understand where we are now and where we're going requires an understanding of where we've been. That's why the Mennonite Church USA Historical Committee, a ministry of Mennonite Church USA Executive Leadership, administers two archives to preserve the documents of our history, publishes Mennonite Historical Bulletin to tell our stories and provides resources so others can learn and share their stories. For more information about these efforts and other ways the Historical Committee serves the members of Mennonite Church USA, contact us.

INFORMATION

Mennonite Mission Network, the mission agency of Mennonite Church USA, exists to lead, mobilize, and equip the church to participate in holistic witness to Jesus Christ in a broken world. We envision every congregation and all parts of the church being fully engaged in God's mission—across the street, all through the marketplaces, and around the world.

Mennonite Mission Network's Board of Directors has established three outcomes that shape its ministries: (1) engage people and cultures with the gospel of Jesus Christ, (2) start and cultivate missional congregations, and (3) foster a missional identity in the church. Mission Network ministries take place in three areas: Christian Service, International Ministries and Mission Resources. For more information about the Mission Network, visit our website.

What the dove means to us:

Mennonite Church USA uses the dove as a symbol of our faith. Time after time, the Spirit in the form of a dove announces the coming of God to us. As Mennonites, we recognize the centrality of Christ as proclaimed in Scripture, revealed through the Holy Spirit and discerned in Christian community. This symbol, which has been designed for Mennonite Church USA and Mennonite Church Canada, reflects these basic beliefs.

The dove and Mennonite Church USA logo are an important part of our Visual Identity and are protected under copyright laws. For information on the preferred use and application of the dove symbol, contact Mennonite Church USA Communications at Communications@MennoniteUSA.org

Something for Everyone

The Family Song

This delightfully whimsical story about the friendly Stranowsky family centers on the song they warble at mealtime, bedtime, and, well, anytime. The song reminds them that God is always with us. Includes a CD of the book read by the author, Jane Hoober Peifer, and a performance of "The Family Song." For ages 4-to-8.

Lost Sons

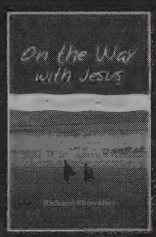
Judy Clemens

Detective Stan Windemere's son, a sailor in the U.S. Navy, disappears in the frozen tundra of Russia. Stan soon learns of another lost son, Clayton Kratz, who also disappeared in Russia—in 1920. Stan dives into this mystery and prepares for the truth that his own son, like Kratz, may never come home.

Marpeck: A Life of Dissent and Conformity

Walter Klaassen and William Klassen

This thorough biography shows that Marpeck, perhaps more than any other early Anabaptist figure, helped lay the theoretical and practical foundations of the believers' church.

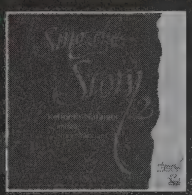


On the Way with Jesus: A Passion for Mission

Richard Showalter puts his passion into words as he explores the multiple dimensions of Christian mission.

Sing the Story 2 CD

Kenneth Nafziger and the Story Musicians



The music featured here is based on the book, Sing the Story. This music embraces the heart of our worship and devotion: Jesus Christ. The selections especially focus on the seasons of the church year from Advent to Pentecost, telling the story of Jesus.

Also available: Sing the Story 1 CD.

History isn't just about the past

To understand where we are now and where we're going requires an understanding of where we've been. That's why the Mennonite Church USA Historical Committee, a ministry of Mennonite Church USA Executive Leadership, administers two archives to preserve the documents of our history, publishes Mennonite Historical Bulletin to tell our stories and provides resources so others can learn and share their stories. For more information about these efforts and other ways the Historical Committee serves the members of Mennonite Church USA, contact us.

INFORMATION

In 2000, Every Church A Peace Church (ECAPC) replaced the organization known as New Call to Peacemaking, which was formed in 1975 to renew the biblical teaching of peace among Friends, Mennonites, and Brethren. ECAPC is an ecumenical Christian organization committed to peace with justice in the world by fulfilling Jesus' mission of nonviolence and love. ECAPC is energized by the belief that the church could turn the world toward peace if every church lived and taught as Jesus lived and taught. ECAPC invites all denominations and Christians to embrace the nonviolent struggle at the heart of Jesus' life and teachings.

ECAPC's mission is to assist churches in organizing their own peace witness in ways that fit their context, membership, and sense of mission and provide skills training consistent with the teachings of Jesus Christ. ECAPC achieves its mission through our award-winning television show, ECAPC-TV, our website, strategic partnerships, conferences, and educational/training programs.

Mennonite World Conference

5

Mennonite World Conference (MWC) is a global community of Christian churches that trace their beginning to the 16th-century Radical Reformation in Europe, particularly to the Anabaptist movement. Today more than 1.4 million believers belong to this faith family.

At least 60 percent of these believers are African, Asian, or Latin American. Mennonite Church USA is one of 96 Mennonite and Brethren in Christ (BIC) national churches from 53 countries on six continents that MWC represents.

Mennonite World Conference is called to be a communion (Koinonia) of Anabaptist-related churches linked to one another in a worldwide community of faith for fellowship, worship, service, and witness.

MWC exists to (1) be a global community of faith in the Anabaptist tradition, (2) facilitate community among Anabaptist-related churches worldwide, and (3) relate to other Christian world communions and organizations.

With MWC, Mennonite Church USA believes that the church is a worldwide body where people of different cultures and nations are "no longer strangers . . . but members of God's household" (Ephesians 2:19).

The next MWC world assembly is Paraguay 2009, Assembly IV, July 14-19, 2009, in Asunción, Paraguay. Check the MWC website for more information.
